End of Term 1 2020 Letter

Dear Parent/Caregivers

It is hard to believe that we are almost at the end of Term One. This newsletter is to inform you about upcoming events in the last week and a half of this term and a quick review of the last month in school.

Charity Fair

Recently, Saturday School held their biggest fundraiser of the year – Charity Fair. This was a fantastic event as usual. It was nice to see so many parents and other member of the community at the school. We also had interviews videoed with parents and students involved in the charity fair to promote the school and the event. These clips were to be shown on TV.

Thanks to all the parents and supporters who set up stalls, provided prizes, baked goods or attended. Special thanks to Miss Mulwa and Miss Dodd who organised the event with the help of the Prefects.

The total money raised was just short of 4 million tsh.

Production

Over this past weekend our students put on a very successful performance of the production “Dara”. Congratulations to all the students involved. Putting on any production takes a huge amount of time and dedication to learning lines and then acting and performing. A huge thanks to Mr Miller and Ms Merali for the time and effort they put in to ensure the success of the production.

Examinations

The year 13s have now finished their AS examinations. Results for these examinations will be released on the **12 January 2021**. Students can choose whether they would like to receive their results in person or via email.
