RE:Pupil Birthdays

Dear Parents and Guardians of Primary Pupils,

I am delighted to say that we will once again be able to have cake in school to celebrate your children's birthdays. However, I wanted to take this opportunity to share the procedure for celebrating a birthday at school:

- Children may come to school in non-uniform on their birthday or the school day closest to their birthday;
- A time may be arranged in advance with the class teacher to share cake;
- Up to 3 **immediate family members** may come in to class to share cake ;
 - No photographers, videographers or decorators;
- **Cake only** may be shared. Please do not provide drinks, party bags or hats/toys etc.
- The class teacher will arrange a 10 minute slot for the sharing of cake. Please be punctual.

Whilst we are very excited to share in your child's birthday, we have to make sure that it is not negatively affecting the education of the class. There are 21 other children who will also celebrate their birthdays this academic year!

If your child's birthday was during the first term and you would like them to bring in cake this term instead, please talk to the class teacher to arrange a suitable time.

Thank you for your understanding,

Alex Evans
 Head of Primary
